

Curriculum Vitae of Dr. Raouf Helmy Youssef

Birth date : August 23 , 1943 .
Nationality : Egyptian .
Marital Status : Married / two boys .

Education :

- 1959 - 1965 : Faculty of Veterinary Medicine , Cairo University . B. V. Sc. 1965 .
- 1967 - 1973 : Faculty of Veterinary Medicine , Cairo University . M. D. 1973 .
(Obstet. , Gynacec. & A. I.)
- 1982 (18 - 23 Sept.) : Training course in the " Instrumental Analysis : Separative techniques " . University of Alexandria Research Center .
- 1984 (28 April - 30 May) : Training course in the " Health Physics , Radiation , Protection and Applications of Radioisotopes " . Middle Eastern Regional Radioisotope Center , Egypt .
- 1990 (4 - 14 August) : Training course in the " Skill Improvement of Management and Behaviour " (Research No. 16) . Management Improvement Center , Kanater El-Khayria , Cairo Egypt .
- 1990 (22 - 26 Sept.) : Advanced training course in the " Skill Improvement of Management and Behaviour " (Research No. 9) . The same center .
- 1992 (5 July - 20 Sept.) : Practical outleave course in the field of " Hormones : Nutritional Deficiency Diseases " , on the development of ELISA (Enzyme Linked Immunosorbent Assay) in protein estimation and on cell culture to transform bovine pituitary cells with temperature-sensitive A gene mutant of SV 40 . College of Veterinary Medicine University of Florida (Gainesville) .
- 1995 (2 - 6 November) : Third International Meeting on Biotechnology in Animal Reproduction . National Research Center , Cairo Egypt .

Employment :

1965 - 1974 :	Specialist in Veterinary Clinics at Fayoum Province , General Organization For Veterinary Services , Ministry Of Agriculture, Dokki Egypt .
1974 - 1982 :	Researcher in Veterinary Research Laboratory at Fayoum Province , Animal Health Research Institute (AHRI) , Ministry Of Agriculture , Dokki Egypt .
1982 - 1984 :	Researcher in Deficiency Diseases & Biochemistry Department , AHRI .
1984 - 1989 :	Senior Researcher in the same Department .
1989 - 1990 :	Research Leader in the same Department .
1990 - 1993 :	Head of the Department .
1993 - till now :	Researchers group Leader and Supervisor in Laboratory of Hormone Research in the same Department .

Scope of work :

Carry on research work and diagnosis of nutritional deficiency diseases and metabolic disorders in farm animals and poultry . Several papers have been published in mineral and trace element levels and metabolism in physiological chemistry and endocrinology . The author has maintained his trend in " Physiology of Reproduction " , and recently in the field of preparation and analysis of hormones and their biotechnological researches .
